mares. He has 12 fonts all up-headed that has won more premiums than any plenty of style, size and substance mare ever sired by Dienity Dare and and plenty of speed. The Warfield list of others too numerous to menand plenty of speed. The Warfield is a representative stallion in all the term implies. To say that he has size, substance and speed only in part emphasize the qualities combined in this son of Dare Devil. He has them and they are such symmetrical character as to make him a stallion among many. His head and neck, body, feet and legs are perfect and when seen in connection with his faultless gait and great heauty are ecpecially impressive. You should see this horse before breeding. You will say you never looked at a better one.

DO GOSTS HAUNT SWAMPS?

No, never. Its foolish to fear a fancied evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and low lands. These are the malaria germa that cause ague, chilis and fever, weak noss, aches in the bones and muscles and may induce deadly typhoid. But Electric Fitters destroy and casts out these vicious germs from the blood. "Three botles drove all the malaria from my system," wrote Wm. Fretwell from my system," wrote Wm. Fretwell from the property of th that cause ague, chills and fever, weak noss, aches in the bones and muscles and may induce deadly typhoid. But Electric Pitters destroys and casts out these vicious germs from the blood. "Three boties drove all the malaria from my system," wrots Wm. Fretwell of Lucama, N. C., "and I've had fine health ever since," Use this safe remedy only 50 cents at Penny's Drug store.

by City on Hustonville pike at \$12.50 to insure a living coit.

This horse was but recently shipted in from Oklahoma, where his colts could be the very best in their class. See him before booking your mares. Care taken to prevent accident or entering the court.
